Tidiest Class Room

This week the tidiest class room
goes to **OTTERS**

Hello All,

It seems like a very long time since I wrote one of these. I would like to wish all of you the happiest and healthiest New Year.

I would also like to thank all of you for your kind messages and support while I have been away. Happily, I am just about recovered and I am so pleased to finally be back at work properly.

Mrs Godfrey and Mrs Gaffney certainly did a sterling job in my absence and the schools ran wonderfully. There were some standout enrichment opportunities for the children, visits to and from school, performances watched

and taken part in, and sporting glory. All that coupled with quality teaching and learning made for a fantastic Autumn term. I am hoping for more of the same this term.

As some of you may know we have adopted a core knowledge curriculum. A large portion of which has been designed around Civitas Core Knowledge Series. I cannot recommend these books highly enough to give you a flavour of what is going on in class. We do not use these as text books, but they are used as exemplars of pitch and content. Most of our classes are mixed year groups we also use a combination of materials from both age ranges. A simple Google search for Civitas Core Knowledge will direct you to a great website and, if you so wish, give you links to purchase the book. I think many of you will be surprised about the level of challenge within the texts and the variety of content.

As ever, thank you all,
Sol Johnson.

ParentPay

After February half term the school office will become cashless. This means that any school trips that are organised will all need to be paid for through ParentPay. If you require your log in information please let the school office know.

Mental Health Awareness

As part of Mental Health Awareness Day, we have taken part in Challenge Tessa! Tessa visited our school today and Tia and Hakan issued our school stamp.

Tessa will be visiting over 100 schools and will receive a stamp on her jeans from all of them. Mental Health Awareness day takes place on the 15th February but due to the amount of schools wishing to take part in the challenge she's had to start early.

We wish her all the best in the challenge, Good Luck Tessa!
