Hello All,

What a fantastic week and I am sure you will all agree the performances were incredible.

With those amazing performances happening this week there is a lot going on in school. In fact, there are so many lovely events that take place at this time of year that it is easy to lose sight of the prime purpose of being here. The basic education of the children.

So, I would like to write about how I intend for this to be even better next year. The school enjoys success with phonics and part of this is due to the Read Write Inc scheme and our hard work to deliver it well. For the older children we are going to have an equally focussed method of delivery based upon reciprocal reading, this means the children will be working together to really unpick all the features of any given texts.

We are also going to be delivering writing with increased accuracy using Talk4Writing. The children will be learning a variety of texts, which they will then innovate and eventually develop to further support their own independent pieces. For maths we are going to use a bespoke system developed from the Effective Maths approach. RE will be based on the Understanding Christianity program of study coupled with aspects of the LEA agreed syllabus.

Finally, for the wider curriculum I am very excited to say that we will be delivering Core Knowledge Curriculum. A quick Google search will give some more detail but if there are any specific questions please don't hesitate to contact me and I shall try to answer them as quickly as possible.

In the build-up for this, teachers have been attending training sessions and I have worked closely with the wider team in the Trust to ensure that these methods of subject delivery are totally suitable to small schools with vertically grouped classes.

I am really looking forward to next year and seeing how this invigorated curriculum will positively impact upon all areas of school life.

As ever thank you for your support,
Sol Johnson

Sun Hats

Please could you make sure during the hot weather that your child/children come to school with a hat and a water bottle. Thank you

PTA

END OF TERM PARTY! The PTA have very kindly again organised the end of term party. This will take place on Friday 20th July from 3:20pm at the White Horse Pub. There will be free burgers and a bouncy castle for the children.
