Message from the Head

Hello All,

Writing this and looking out of the window I am reminded how fickle the weather can be. With the fete being tomorrow I am crossing fingers that the rain eases and perhaps the sun may shine for a while.

Much like last weekend when I was hoping for better weather in Wales. I am in awe of the efforts of my staff to enrich the education of the children. A few months ago there was no shortage of volunteers to be part of a team that would complete a variety of events. I decided that 7 would be a suitable number 3 from each school and myself. The other volunteers will be utilised next year. So far they have completed a Wolf Run which is (in my opinion) a ridiculous event involving mud, running, obstacles, more mud, more running and more obstacles...you get the idea. They also climbed Snowdon in some very grim conditions. If I hear another report of loose toenails...

In short they are doing this to raise money for the enrichment fund. If you have, THANK YOU, if you haven't, please could you sponsor them, forms have gone home but there are more in the office if needed.

As well as this, it is lovely to see the younger children getting involved too with their enterprise week. It all goes to the same very good cause, which really does enhance our curriculum enrichment.

As ever, thank you all,
Sol Johnson.
