Cross Country

On Tuesday 12th February Miss Avery took some KS2 children to compete in a cross country event against Newnham, The Abbey and Falconers Hill. All the children ran well and I am pleased to say that Welton were triumphant.

Mini Meadows Farm Trip

This week Reception, Year 1 and Year 2 all went to Mini Meadows Farm. We have been learning about animals and taking care of them in school. Everyone had a fantastic day and we would like to say a big thank you to our parent helpers.

Mental Health Awareness Day

This afternoon (15th February) the whole school took part in a bubble-a-thon. Where we all went outside to clear our minds and blow all our worries away.

Message from Mr Johnson

Hello All,

As we wind down towards the mid-year break it is a good opportunity to look back at how far we have come.

The children have all been given aspirational English and Maths targets and collectively are working very well to meet those. But while doing so they have also managed so much more. There have been amazing performances given, in school and out. There have been examples of sporting excellence, in school and out. We have had visitors in and trips out. We have raised funds for a variety of good causes.

I can speak from the heart when I say how lucky I am to be in the job I do.

I hope you all have a lovely week with your families, whether you are going away or staying at home, it is just good to have time together.

Finally, I mentioned in last newsletter about how great the school governors are. I should also have mentioned that they have adopted the new terms of reference from the Trust.

As ever, thank you all for your support,
Sol Johnson.
