School	97.1%

School Matters!

**Well done BADGERS for 99%
attendance this week**

Tidiest Class Room

This week the tidiest class room goes to **OTTERS**.

Lego Cards

There has been an increasing number of children bringing lego cards into school. These are not permitted in school and we would appreciate it if they were kept at home.

Reporting a Childs Absence

When reporting your child's absence please either do so through the *MyEd* app or by phoning the school office before 8:30am. We have found that some parents are contacting the teachers through Class Dojo to report an absence but the teacher will not always pick these messages up before Registration.

What an amazing and busy term we have had! A big thank you to everyone for all their hard work and support throughout the term. The children have taken part in several sports tournaments, built models, written poems and worked really hard.

Today we had an extra special treat of a visit from a mad scientist. The children saw some fantastic experiments including holding fire in their hands (completely safely of course). Thank you very much to Mrs Gospel for organising this.

After half term, Mr Taylor will be off for a couple of weeks as he starts his new family and we wish him all the best with this new adventure.

Years 5 and 6 will be heading off to Wales for their residential and they are all very excited. I look forward to hearing about all the amazing things that they will do.

I hope that everyone has an amazing and restful half term. I look forward to seeing you all again in the new term.

Deborah Godfrey
Deputy Head
