Message from the Head

Hello All,

Unquestionably the main thrust of the newsletter this week must be the fete and such a massive thank you to so many people.

The organisers were organising with surgical precision. There were contingencies in place and then contingencies for those. Events would not be successful without them. Thank you. There were volunteers who ran stalls who gave up time and in some cases personal expense to provide for the fete. Thank you. There were the WI who baked and served with such skill. Thank you. There were the performers who performed with such gusto and enthusiasm, musical, choral and physical excellence on display. Thank you. There were the attendees who turned out on a slightly soggy Saturday to spend some hard earned cash on bits and pieces they never knew they needed, or wanted. Thank you. In all it was a great fete that raised a lot of money to be split between the school and the church. Thank you all.

A while ago I mentioned in the newsletter about any parents or members of the local community who would like to be governors. I am asking again just in case that newsletter was missed. If you have a little bit of time and would like to help us make a positive difference or would simply like to know more about the role please let me know.

As ever, thank you all,
Sol Johnson.
