Hello All,

This week I absolutely must write about the fete. It was a great day and I was so happy to be a part of it. I must admit that running the bouncy castle was probably the most challenging thing I have ever had to do. Some of the children have, as yet undeveloped, senses of self-preservation which led to some very intense bouncing. As an adult looking on, I was in a state of intense nervousness for the duration. However, happily, they were oblivious to my anxiety and appeared to really enjoy the experience. At least there weren't any stocks and sponges for the leadership of the school. 😊

I have to say a special thank you to all the individuals involved with the organisation of the event and to the wonderful volunteers who operated stalls. I managed to enjoy the coconut shy, buy a few raffle tickets and drink a couple of cups of WI coffee prior to running the bouncy castle. I also watched the dancing that took place and it was especially wonderful to see children from the wider community performing.

I have been informed that the event raised an amazing, wonderful, awesome, supercalifragilisticexpialidocious £3551.44. For that I would like to thank all of you who came along and supported this event, without that high level of support that incredible total wouldn't have been achieved.

Finally, I would like to express my thanks and admiration to an individual who was involved. Amelie, one of our stars, organised and ran her own Slime Stall which raised an incredible £44. She is 6!

As ever, if there are any observations, comments or questions please don't hesitate to contact me. The details are below.

Thank you all,

Sol Johnson.
