Message from the Head Teacher

Hello All,

This week I am bursting with news. There has been so much going on that really does deserve shouting about.

Mrs Gospel has really been under the cosh recently with a perfect storm of events that she and her class have risen to superbly.

Mrs Gospel led a wonderful science week here at school that really ignited the children's passion and wonder for science. There were whole school and class experiments, which were hugely fun and interesting. This valuable focus really has helped remind us all of the importance of hypothesis and investigation.

In addition, her class provided us with a wonderful ukulele assembly. I am proud of our music provision and the opportunities that it affords children, hopefully many of whom will be inspired to progress in that discipline. As well as that, her class are busy with their enterprise week. They are raising funds that support the wider curriculum for all children in our Trust. A perfect example of this was the amazing choral recital at the Derngate on Tuesday. The children were brilliant, and the performance was truly lovely. The technical mastery the massed voices showed was incredible and being part of something bigger (that produces such a wonderful sound) is often a real incentive to take these interests further. This would not be possible without the Enrichment Fund. So, thank you all who are supporting that, through the work we are doing in school and buying tickets for the performances.

As well as all that, the children looked great with their enhancements to their uniforms to Dress Up For Downs. A vital awareness raising day that really is an important and now regular part of our school calendar.

Hurrah, our student leaders have created a shortlist of charities, they are now debating which one to support this term. Watch this space...😊

As ever, thank you all,
Sol Johnson
