Message from Mr Johnson

Hello All,

As you are no doubt aware the Badgers Class is raising money for the DRET Inspiration Fund. They are working - have worked, by the time this goes out - really hard and I am so grateful to them for their efforts and to you all for your support.

I therefore felt it appropriate to clarify all the amazing fundraising that happens in school and who benefits from it. There are four types of fund raising that are all equally important. I have tried to separate them as much as possible so that they don't clash.

In no particular order they are as follows:

School Council Funds. These are raised through the tuck shop. 50% goes to the School Council Fund (what they purchase is decided by the student leadership and all children in school are represented in that process) and 50% goes to any charity they choose. I am sure many of you remember, at the lovely carol service, they donated £100 to the Baby Project.

The next type is the fundraising for the **Inspiration Fund.** This is the charitable arm of the Trust. It supports all types of enrichment and our school really does benefit disproportionately from this - we get back so much more than we put in. Last year they donated £3,000 to keep the cost of the residential trip down, they also support Summer and Winter Cups and music and dance festivals. In return each class will have an enterprise week and ticket sales from school performances will contribute to the charity.

We have the **Friends of Welton.** They work tirelessly organising fetes, school discos and other events. The funds they raise go towards keeping the prices of class trips down, the whole school pantomime, supporting larger projects – such as the amazing quiet space area and other luxuries that all the children benefit from.

We also, occasionally, support **other charities national incentives** that we feel are important for the children to be aware of, an example of which is the current *NSPCC Speak Out Stay Safe Programme.*

We couldn't do any of this without you and we are so grateful. Thank you all, your generosity and support of the school is felt and deeply appreciated.

As ever, thank you all,
Sol Johnson.
