### Earrings during PE

Just to confirm that children are not permitted to wear earrings during PE Lessons. Teachers are not allowed to take out or replace children's earrings if they are unable to do so themselves. Therefore, it will be helpful if earrings could be removed on PE days. If a child has recently had their ears pierced then you will need to make sure they are covered on the day of PE. Also children should wear a single stud in each ear.

## **Rugby Festival**

A big well done to all those children who attended the Rugby Festival yesterday. The year 3/4 came second and the year 5/6 team narrowly missed 3<sup>rd</sup> place by a golden try! They all represented the school extremely well.

## **A message from the School Council**

Just to remind everybody that our "Tuck Shop" has now opened again for business! All products will be sold at 50p per item. It really helps us if your child brings the correct money with them. In return, they will be able to enjoy a healthy snack during break time. The money raised from the sales will be split in half. 50% of the money will go to the School Council, so we can put it towards buying things that the children have ask for via their student advocate. The other half of the money will go to our Student Council's selected charity of the term. The students will be running the Tuck Shop during break times. We would like to thank you all in advance for your support.

## **PS Engage/MCAS**

Please be aware that from the 30<sup>th</sup> September 2019 our school will no longer be using MyEd app to communicate with you. Please refer to the letter that you have received about our new app (MyChildrenAtSchool) which can be found on your app store. If you do have any queries then please do not hesitate to contact the school office.

## **Coats**

As we are now seeing a change in the weather - please can you ensure that your child has their coat with them everyday.

## **Message from Mr Johnson**

Hello All,

WOW what a week.

On Monday we had a visit to the school by our sponsor David Ross, our CEO Rowena and Lady Rose Cholmondeley. I was so proud of your children. They really showed their very best during this time. It was lovely to be able to show off a little and everyone at school certainly did that. All the children demonstrated a scholarly attitude and answered all questions from our visitors, fully, accurately and politely. Looking over the shoulders at the work in the books it was also clear that this positive learning was not just for that afternoon. I am also grateful to my staff for accommodating the visit and consistently demonstrating just what quality teaching and learning looks like.

I would like to, once again, remind parents about parking. It is such an emotive subject and I recognise that parents want to park conveniently for the drop off and collection of children. I also recognise that the local community adapt to the influx of traffic at these peak times during the day. Our concern is always the children. In my view the answer is simple. If all cars parked legally; away from junctions, not on dropped kerbs, not blocking drives and not double parked etc the safety of all road users would be increased. If all cars parked considerately then there would also be no friction with anyone which would lead to increased cordiality during these busy times.

Finally a mention to our plucky football team who played with determination and despite some very strong opposition continued valiantly for the full time in the matches. A very positive attitude to sports that, I am sure, will soon translate into a very positive scoreline.

As ever thank you all for your support,  
Sol Johnson
