Hello All,

Yesterday 4 pupils, myself and our Chair of Governors - Jackie Hibbert, enjoyed a wonderful service at Peterborough Cathedral. It was, as you would expect, moving, thought provoking and inspirational. It was a timely reminder that we are all part of something bigger and our individual contributions do make a difference to the whole. Which leads me neatly on to the next paragraph.

Usually during my weekly 'slot' I like to write in an upbeat manner about all sorts of positive things that are taking place in school and how well the children are doing. However, it has been brought to my attention that a number of parents are parking inconsiderately, blocking residents' driveways, parking in the pub car park, parking across road junctions and even double parking on the main road. It is unsafe for the other road users and infuriating for residents if their driveways are blocked through thoughtless parking. It is an utterly avoidable situation and I would urge all parents to ensure that they park appropriately.

That said, I fully appreciate that a clear majority of you already do this. I am sure we can support each other to ensure that all road users are safe, and that residents are not inconvenienced.

As ever if there are any comments, thoughts or suggestions please let me know,  
Sol Johnson
