Message from the Head Teacher

Hello All,

I am really pleased to say it has been another wonderful week here at school.

The weather has been consistently 'Spring-ish' and that has helped to create a lovely positive mood about the place. This week I would like to talk about the sterling performances from our children at the Spring Cup. Miss Avery and Mrs Gospel are a canny pair of coaches and they led our teams during this hard-fought netball and football tournament. The footballers were magnificent and won in the shield competition. Very well done to the whole team for a tenacious performance. A mention must go to the goalkeeper who saved with skill many shots from some very fearsome attackers.

The netballers did really well. They won the plate competition. The whole team worked well together. The goal shooter and goal attack especially, it was incredible their communication and support for each other during those games.

Overall a very pleasing day. Well done to all competitors and staff involved.

I would also like to say a huge thank you to you all for your support of the school with the homework. There are some amazingly wonderful pieces of work that have arrived in school which show such a high degree of effort. These really do add so much value to the learning and I know they would not be possible without such incredible support from home.

As ever, thank you all and please contact me directly with any comments or thoughts,

Sol Johnson.
