### Message from Mr Crozier

Dear Parents/Carers,

In my weekly piece for the newsletter I wanted to take some time to celebrate events that have taken place at Welton in the last week or so and to look forward to more memorable occasions to come before we break up for a well-deserved break. Although I was not present at the Christmas Fayre

I have been informed that this event was very successful and was very well supported by parents and the wider community. These events are vital in ensuring we keep the strong community links we have and I would like to take this opportunity to thank the PTA for their efforts in preparing and running another excellent event.

This week I have had the pleasure of being out in the classrooms more which has been a thoroughly enjoyable experience - it is a great tribute to you all as parents and carers that **all** the children's behaviour in lessons was exemplary. It is also clear that the children who attend Welton CE Academy are very much engaged and enthused about their learning. This comes from your home and family support and also comes through having a group of teaching staff and a network of support staff that really have the core belief that the children's learning is paramount. Therefore I would like to say a huge 'thank-you' to the staff at Welton as well as you for your continued support.
