Getting Ready for SAT's

With SATS coming up in a few months, we wanted to share with you a guide from the David Ross Education Trust on how we can work together to help your child get ready for SATS. It can be downloaded from <https://www.dret.co.uk/resources>

It's been written by our Trust's primary experts and provides you with helpful information on how to help your child take SATS in their stride.

Also in February, the Trust will be publishing a 'Getting ready for the 11+' guide as well, written by teachers at our Trust's grammar school in partnership with our primary teachers.

If you want to give us feedback or have any topics they would like to see covered then drop us a line and it will be shared with the 'Getting ready' team.

Voice in a Million

KS2 have been given the amazing opportunity to be part of the Voice in a Million concert at The SSE Arena, Wembley. This is a concert that has been running for 9 years and involves school children from all over the country.

Letters containing all the information regarding this trip have been sent home with the children today.
