Message from the Head

Hello All,

Friday is newsletter day in both schools I am privileged to lead. Sometimes they are completely different, often they are broadly similar but rarely are they identical. Today is one of those rare occasions.

The last couple of weeks have been incredibly busy in schools. Snappy Opera, trips, there is a dance festival tonight and the Summer Cup.

The staff and volunteers in both schools are doing an amazing job and working so hard to give the pupils a truly wonderful lead into the summer break.

But it is the pupils who are excelling at the moment. Their commitment to achieve the very best they can, in whatever they are doing, is an absolute credit to them all.

We are having a combined dance troupe in Corby this evening and I have seen some rehearsals and I am utterly confident the performance will be outstanding. For the Summer cup we had separate school teams. The results were incredible: Welton 5th Overall (most improved) and Newnham 8th Overall (hockey winners). This is such an amazing achievement when we remember that there are 22 primary schools and that Welton and Newnham are the 3rd and 4th smallest. Some real giant killing results against schools which are much bigger than ours. A massive well done to everyone who gave it their all representing their school.

I really am a lucky chap.

As ever, thank you all,
Sol Johnson.
