Hello All,

There is so much going on at school at the moment and I must say to all staff a huge thank you for your sterling efforts that go above and beyond during this very busy time.

This week the spotlight needs to be on the Summer Cup. It was a wonderful event that is made possible by the David Ross Inspiration Fund. Our children competed with such valiant and such heartfelt effort. I had the joy of watching the hockey team dominate in the group stages and they enjoyed 3 consecutive victories over Wold, Ingoldsby and Eastfield. This secured promotion to the group stages where they met the reigning champions Cedar Road. Sadly, moving forward to the quarter finals was not to be. But the energy, effort and skill on display meant the team can certainly hold their head high. In the athletics the most bitter sweet moment for me was when the Welton relay team pipped Newnham to the finish line. A fantastic job! Finally, a special mention must go to Evie for a truly amazing display of swimming excellence. Silver medal star! Well done to all of our athletes.

I am also looking forward to the end of year school performance, Rock Bottom. I have heard some of the rehearsals and I would like to say they are certainly in good voice.

Finally, I would like to say how excited I am for the coming year. It will be sad to say goodbye to the leavers, both pupils and staff, but there is a developing sense of ambition and some very secure plans in place to further develop the curriculum. Now the news of the classes has gone home we can truly turn some of our attention to the oncoming year.

As ever, if there are any observations, comments or questions please don't hesitate to contact me. The details are below.

As ever thank you all,  
Sol Johnson

### **Sun Hats**

Please could you make sure during the hot weather that your child/children come to school with a hat and a water bottle. Thank you
