Netball

Last week some of our year 5&6 girls (and Poppy) went off to The Parker to compete in a Netball tournament against Newnham, The Abbey and Falconers Hill Jrs. All girls played really well and showed a good team spirit. I am pleased to say that Welton came 2nd. Well Done Girls!

Message from Mr Johnson

Hello All,

One of the great things about being a part of this small, but perfectly formed, school is the diligence of the Governors. Being part of a multi-academy trust has meant that some of the traditional roles have altered; even the name of the governing body has changed. But that said, they continue to be a group of volunteers who willingly give up their time and energy to make the school a much better place. They do this through checking the work that we do as teachers and asking challenging questions to ensure all pupils gain the very best from coming here. I am happy that in this school they are such a pro-active group. Very soon they will be contributing to the newsletter as well.

The reason I write this is because at our last meeting it was mentioned that some important information had not been shared with parents. This was around some of the policies that the school uses. I am very sorry for this oversight and if any of you would like to read our policies, they are to be found on the school website in the parent information section. Any others that apply to all schools in the trust can be accessed via a link there.

Finally, a few weeks ago, I mentioned sensible rather than fashion boots in winter. This was directed mainly at our girls. Not to be outdone the boys have now started to stretch the uniform requirements. I would like to remind you all that, as stated on our website, black school shoes should be worn, not trainers.

As ever, thank you all for your support,
Sol Johnson.
